

# Franklin Elementary Virtual Learning

## 4<sup>th</sup> Grade

Logansport Community School Corporation will be using virtual learning days for grades K-12 as a way to have school on cancelled days for the 2015-2016 school year. Students can work before, during, or after school hours to complete this work at home on a canceled day. They will have two days past the canceled day to return their work to school. The teachers and Ms. LaDow will be available by email from 7:50 a.m.-3:10 p.m. on the canceled day and also by calling the school at 722-3200 to leave a message or to speak with the office staff. Teachers will return phone calls as soon as possible and email will be checked regularly throughout the day to make sure they can answer any questions. You can e-mail your teachers at the following addresses:

Parents and students please make sure that you can get to these sites listed from home prior to a Virtual Learning Day. All materials (including verification forms, lessons for 5 potential canceled days, and copies of lessons) will be available for each day on the [lcsc.k12.in.us](http://lcsc.k12.in.us) website by clicking on the Franklin tab and under the Virtual Learning tab at this site. Days 1 and 2 virtual learning materials will also be sent home as a paper copy on Friday, August 21<sup>st</sup> and Days 3, 4, and 5 virtual materials will be sent home as a paper copy on Friday, August 28<sup>th</sup>. PLEASE keep these packets in a safe place at home.

If students have access to internet, the following websites may be used to complete the technology activities listed on the verification page for each day:

[www.mobymax.com/signin](http://www.mobymax.com/signin)

Verification sheets are also included on your daily packets in your child's Virtual Learning folder. Read through the activities and complete the log portion of the sheet.

For each activity completed, an adult is asked to sign the verification sheet to show the student has completed the activity.

What does my child need to bring back to school?

1. The verification sheet that signed by parent/babysitter.
2. The completed packet for the day.

We know that it may be hectic for the first time or so, especially those parents with more than one student needing to complete work at home and using the internet. Please do your best and remember that students will be given two days to make sure their work is completed.

Thank you,  
Franklin Fourth Grade Team
